SCOPE

The Maine Lacrosse Officials Association, MLOA, officiates boys' lacrosse throughout Maine. Here are links to our Constitution, By-Laws and Policy Manual.

Scholastic

MLOA operates under contract to the Maine Principals Association. This agreement is the foundation for our processes and fees.

We officiate high school contests for both MPA and MAISAD schools, including the KVAC, SMAA and WMC conferences. We also cover middle school contests for the SMMSAC and CCC conferences. MLOA's Assigning Expectations for Scholastic contests documents the responsibilities of Athletic Directors, assignors and officials, from scheduling games through payment of officials.

Youth

We also officiate middle school and youth contests for the Maine Boys' Youth Lacrosse Association. MLOA's Assigning Expectations for MBYLA contests documents the responsibilities of Coordinators, assignors and officials, from scheduling games through payment of officials.
